ZIAD NAFEA

JUNIOR PRODUCT DESIGNER | UI/UX DESIGNER

ziadnafea101@gmail.com | +201070186596 | Cairo, Egypt | **Portfolio | LinkedIn**

PROFILE

UI/UX Designer with a **B.Sc. in Computer Science** and hands-on training from **ITI**, creating user flows, responsive interfaces, interactive prototypes, and **WordPress** websites using Figma and modern AI design workflows. Combines end-to-end UX skills with **3 years of professional graphic design** experience to deliver intuitive, visually consistent, developer-ready solutions. Takes ownership of new **challenges**, **learns** tools quickly, and translates user needs and business goals into practical digital experiences.

SELECTED PRODUCT DESIGN PROJECTS

Strategi Builder Landing Page | *Figma, FigJam, Miro* | Redesigned Strategi Builder, a U.S.-based business (B2B) website, with a modern and responsive interface. Improved its visual hierarchy, navigation, and service clarity.

Ceramica Plus E-Commerce Website| *Figma, Miro* | Designed clear product-selection flows .connecting construction materials with practical finishing applications

EduAzooz Website | *Figma, WordPress, Elementor* | Designed and built a responsive educational website with a simple interface tailored to students and learning services.

Malik Suites Booking Website | *Figma, WordPress, WPrentals, WooCommerce* | Designed and built a streamlined hotel discovery and reservation experience.

EXPERIENCE

Maestro Bii | *UI/UX & Graphic Designer* Apr 2026 - Present

- Work across UI/UX and graphic design, creating clear digital interfaces and supporting visual assets that align user needs with business and brand goals.
- Joined the company part-time and transitioned to a full-time position after three months.

Information Technology Institute (ITI) | *UI/UX Designer* Jul 2025 - Dec 2025

- Applied an end-to-end user-centered design process across research, user flows, wireframes, responsive UI, and high-fidelity interactive prototypes.
- Built reusable Figma systems with Auto Layout, Components, and Variables; practiced accessibility, usability, developer handoff, and design-to-code collaboration.

Ammar Marketing | *Graphic Designer* Mar 2025 - Aug 2025

- Produced digital and print work for clients across Egypt, Saudi Arabia, and Qatar, using Adobe tools and AI-assisted workflows to deliver efficiently.

Strategy for Business Solutions | *Graphic Designer* Jun 2023 - Jan 2024

- Created campaign, social media, and video assets while maintaining brand consistency and quality standards.
